ZONING FOR HOTEL SITE POSTPONED

Action of the Albany City Council this week on the recommendation of the Planning and Zoning Commission favoring the request of American Motor Hotels, Inc. for the rezoning of portions of Block 8, Cerrito Hill and land adjacent thereto for purposes of constructing a hotel and service buildings on the property, was postponed until after the first week in June due to a ruling of Robert J. Foley, city attorney.

The ruling was based on the fact that a new ordinance has just been passed authorizing the setting aside of property for hotel purposes. This ordinance, however, does not become law until 30 days after its publication on May 4, and the city attorney ruled that rezoning of any property under this ordinance cannot be acted upon until after the covering ordinance becomes law.

In addition to American Motor Hotels, Inc., the following firms were represented and had representatives present at the meeting: Golden Gate Hill Development Co. Inc. and Hill-Aire Homes Inc., also requesting the council act on hotel rezoning. A letter was also read from John Pleich, president of the Albany Chamber of Commerce endorsing the Planning and Zoning Commission recommendation, and urging the rezoning of the top of the Albany Hill for hotel purposes.

Speaker to Tell Of Vigilantes in Gold Rush Days

John Ritchie McKee, president of the California Casualty Indemnity Exchange of San Francisco, will be the speaker at next Tuesday's Albany Rotary Club luncheon at Spenger's in West Berkeley. His topic will be "The San Francisco Vigilantes of 1856." Walter E. Teasdale will be chairman of the day, while President William G. Woolworth will preside.

McKee's great great grandfather, James King of William, was murdered on May 20, 1856, and it was this murder which aroused the people of San Francisco and caused the revival of the "Vigilantes," which organization had acted briefly after similar outrages in 1851.

This year commemorates the 100th anniversary of the formation of this latter group which acted for several years to restore order and decency on the streets of San Francisco. McKee has made this subject his special hobby because of family participation in the incident.

Last week's gathering was addressed by Stewart Ward, executive secretary of the Commonwealth Club of San Francisco. His subject was "How Communists Gain Control of American Organizations."

McAULEY NAMED CITY ENGINEER OF ALBANY

Albany has a new City Engineer. His name is Wayne M. McAuley, of Mill Valley, and he is a 35-year-old resident engineer on Marin County's Richardson Bay Bridge. He has been associated with the State Division of Highways since 1949.

In announcing the appointment Mayor Lewis M. Howell stated that 20 applications for the job have been received and 14 persons interviewed in the search for a replacement for Howard B. Carter who recently resigned. Carter's resignation was to have taken effect on May 1, but he had consented to stay on until June 1 when his successor will take office.

The new city engineer received his BS degree in civil engineering from the University of California. He served as a technical sergeant with a US Army engineering construction battalion in the Pacific Theater during World War II, and after the war was a general contractor engaged in residential and commercial construction until joining the State Highway Division in 1949. He is married and the father of two children.

Carter who originally turned in his resignation in January plans to move from his present home in El Cerrito to Crescent City where he will be an engineering consultant for Humboldt County.

N. P. Reckas, Solano Avenue merchant and Junior Past Commander of the Albany VFW, reported to the council that he had been unable to secure the Alameda County Veterans Association celebration of Veterans Day for Albany on Nov. 11, and that it would go to Berkeley this year. He said, however, that he had been assured of the celebration coming to Albany next year.

Camp Program For Blue Birds, Camp Fire Girls

"Adventures in Folklore" will be the theme of Blue Birds and Camp Fire Girls of the Albany area to the annual day camping program sponsored by the local Camp Fire Girls Council serving Albany, Berkeley, El Cerrito and Kensington. According to Mrs. Francis Jones, 244 Trinity, Kensington, day camping chairman, only 39 openings remain in the second session scheduled for July 16 through July 22. Mrs. Jones pointed out that registrations must be limited in order to assure adequate adult supervision. Volunteers are still needed as group counselors, first-aiders, craft specialists, program-aids and baby sitters.

Camp Fire volunteers in the Albany area responding to the call for help to date include Mrs. Glenn Finney, 932 Taylor; Mrs. Jack Leake, 910 Polk; Mrs. Walter Saffir, 1020 Santa Fe, and Mrs. Robert Litloff, 1301 Marin. Women interested in serving are urged to call Mrs. LeRoy Eraninus, LA. 6-3976, or Mrs. William Borden, LA. 5-1357.

Under the leadership of camp director, Miss Bonnie J. Teasdale, the girls will enjoy a carefully planned program including cook-outs, hikes, nature lore, creative dramatics, singing, crafts and such special features as old-fashioned ice cream making, breakfast cook-out and overnight campout.

New Device to Test Eyesight of Calif. Motorists

Will your eyes permit you to drive safely? A scientific answer to this question will now be given by the drivers' licensing section of the Department of Motor Vehicles.

Local offices of the department are now equipped with precision vision testing instruments, the Ortho-Raters. This new equipment, built by Bosch & Lomb Optical Company of Rochester, New York,

PROCLAMATION

WHEREAS, May 25 and 26 have been designated as the proper days on which all the residents of the City of Albany may pay homage to those gallant Americans who were disabled while in the service of their beloved Nation, and

WHEREAS, a public sale of poppies will be held on May 25 and 26, 1956, in order that the residents of Albany may show their appreciation to those heroic men and women who are unable to return to their prewar activities because of injuries received in the defense of their country, and

WHEREAS, in the past years Poppy Days have been an outstanding success because of the gracious and liberal participation of the citizens of Albany.

NOW, THEREFORE, as Mayor of the City of Albany, I proclaim May 25 and 26, 1956, as Poppy Days, and urge all people

can actually measure your vision acuity and give the answer to the question of your ability to see safely while driving.

The revised testing program is expected to increase highway safety by cutting down accidents due to faulty vision. Furthermore these fine instruments can be used to test the eyes of applicants who have language and reading difficulties.

The state's vision screening test is designed to demonstrate to the individual seeking a driver's license the general condition of his vision. If the basic eye test indicates a defect may exist, the license examiner informs the applicant that a driving license cannot be issued unless the condition is corrected. The applicant then may consult the professional person of his choice for further eye examination and treatment. Many people are not aware of their vision deficiencies until they take the department's basic test. The majority who discover a defect in this manner have the condition corrected, and apply for re-examination, which they pass successfully.

CHRISTIAN SCIENCE

The vital importance of understanding the true nature of God and man will be emphasized at Christian Science services Sunday in the Lesson - Sermon "Soul and Body," at 533 San Pablo Ave., in Albany.

The Scriptural readings will include Paul's statement to the Philippians (3:13, 14): "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (203:13): "Spiritual perception brings out the possibilities of being, destroys reliance on aught other than God, and so makes man the image of his Maker in deed and in truth."

ARLINGTON COMMUNITY

The Rev. George K. Dreher will speak Sunday on the subject, "Today's Spirited Mission," based on the text Acts 8:29. We will have the Lord's Supper at both the 9:30 and 11 a.m. services, and at the 11 o'clock service 14 young people will be confirmed. There will be a reception following the service in the church parlors in their honor.

FIRST BAPTIST

Pentecost Sunday services: The pastor, Dr. A. O. Odegard will speak at the morning worship service at 11 a.m., on the sermon subject, "Pentecostal Fulfillment." The Chancel Choir will sing, "Near to the Heart of God." Irene Schloss-

Delicious New Drink--Continental Coffee

If you're looking for something to really please your guests and family, you'll want to try "Cafe au Lait." This delightful beverage has long been popular on the continent and is fast becoming a favorite with American women who pride themselves on serving something with a flair. Cafe au Lait (pronounced Cafay O Lay) is so simple to prepare and so acceptable to every taste that it's sure to become a favorite in your home.

CAFE AU LAIT:
The "instant" way to make this wonderful new drink is to put one teaspoon or more of instant coffee in a cup (according to strength desired), and add hot MILK instead of water. Stir and serve hot. Using ground coffee, brew extra strong; add 3/4 cup of hot MILK to 1/4 cup of coffee. Try it tonight for a real pleasant flavor surprise!

LEVELS OF CALIFORNIA'S GROWTH

THEY STAYED RIGHT HERE. Contrary to nearly all predictions, California's war time population did not leave the state during the post war years. Building on the 1941-1945 growth California has experienced a population increase averaging 475,000 persons annually in the decade since the war.

contained in Part 1.5 of Division
2 of the Revenue and Taxation
Code of the State of California;

(b) To adopt a sales and use
tax ordinance which incorporates a
provisions identical to those of the
Sales and Use Tax Law of the
State of California insofar as those
provisions are not inconsistent with
the requirements and limitations
contained in Part 1.5 of Division
2 of the said Revenue and Taxation
Code;

(c) To adopt a sales and use
tax ordinance which imposes a one
percent (1%) tax and provides a
measure thereof that can be ad-
ministered and collected by the
State Board of Equalization in a
manner that adapts itself as fully
as practical to, and requires the
least possible deviation from, the
existing statutory and administra-
tive procedures followed by the
State Board of Equalization in ad-
ministering and collecting the Cal-
ifornia State Sales and Use Taxes;

(d) To adopt a sales and use
tax ordinance which can be ad-
ministered in a manner that will,
to the degree possible consistent with
the provisions of Part 1.5 of Divi-
sion 2 of the said Revenue and
Taxation Code, minimize the bur-
den of record keeping upon per-
sons subject to taxation under the
provisions of this ordinance;

(e) To adopt a sales and use tax
ordinance which can be adminis-
tered in a manner that will exclude
the receipts of particular sales from
the measure of the sales tax im-
posed by this City which have
been included in the measure of
the sales tax imposed by any other
city and county, other than the
city and county in which this city
is located, or city in this State, and
avoid imposing a use tax on the
storage, use or other consumption
of tangible personal property in
this City when the gross receipts
from the sale of, or the use of,
that property has been subject to
a sales or use tax by any other
city and county, other than the
city and county in which this city
is located, or city in this State, in
accordance with the provisions of
Part 1.5 of Division 2 of the
said Revenue and Taxation Code.

Section 3. **OPERATIVE DATE.**
This ordinance shall become opera-
tive on July 1, 1956, and prior
thereto this City shall contract
with the State Board of Equaliza-
tion to perform all functions inci-
dent to the administration and op-
eration of this sales and use tax
ordinance provided, that if this City
shall not have contracted with the
said State Board of Equalization,
as above set forth, prior to July
1, 1956, this ordinance shall not
be operative until the first day of
the first calendar quarter follow-
ing the execution of such a con-
tract by the City and by the State
Board of Equalization, provided
further that this ordinance shall
not become operative prior to the
operative date of the Uniform Local
Sales and Use Tax Ordinance
of the County of Alameda.

Section 4. SALES TAX.

(a) (1) For the privilege of selling
tangible personal property at
retail a tax is hereby imposed upon
all retailers in the City at the rate
of one percent (1%) of the gross
receipts of the retailer from the
sale of all tangible personal prop-
erty sold at retail in the City of
Albany on and after the operative
date of this ordinance.

(2) For the purpose of this or-
dinance, all retail sales shall be
presumed to have been consum-
mated at the place of business of
the retailer unless the tangible per-
sonal property sold is delivered by
the retailer or his agent to an out-
of-state destination or to a com-
mon carrier for delivery to an
agent to destination. Delivery
charges shall be included in the
gross receipts by which the tax is
measured, regardless of the place
to which delivery is made, when
such charges are included in the
measure of the sales or use tax
imposed by the State of California.
In the event a retailer has no per-
manent place of business in the
State of California, or has more
than one place of business, the
place or places at which retail
sales are consummated shall be as
determined under rules and regu-
lations prescribed and adopted by
the Board of Equalization.

(b) (1) Except as hereinafter
provided, and except insofar as
they are inconsistent with the pro-
visions of Part 1.5 of Divi-
sion 2 of the said Revenue and
Taxation Code, all of the provisions
of Part 1 of Division 2 of
said Code, as amended and in force
and effect on July 1, 1956, appli-
cable to sales taxes are hereby
adopted and made a part of this
section as though fully set forth
herein.

(2) Wherever, and to the ex-
tent that, in Part 1 of Division 2
of the said Revenue and Taxation
Code of the State of California is
named or referred to as the "State",
the City of Albany shall be
substituted therefor. Nothing in
this subdivision shall be deemed
to require the substitution of the
name of the City of Albany for the
word "State" when that word is
used as part of the title of the
State Controller, the State Treas-
urer, the State Board of Control, the
State Board of Equalization, or the
name of the State Treasury, or of
the Constitution of the State of
California; nor shall the name of
the City be substituted for that of
the State in any section when the
result of that substitution would
require action to be taken by or
against the City or any agency
thereof, rather than by or against
the State Board of Equalization,
in performing the functions inci-
dent to the administration or op-
eration of this ordinance; and
neither shall the substitution be
deemed to have been made in those
sections, including, but not neces-
sarily limited to, sections referring
to the exterior boundaries of the
State of California, where the re-
sult of the substitution would be
to provide an exemption from this
tax with respect to certain gross
receipts which would not otherwise
be exempt from this tax while
those gross receipts remain sub-

ject to tax by the State under the
provisions of Part 1 of Division 2
of the said Revenue and Taxation
Code; nor to impose this tax with
respect to certain gross receipts
which would not be subject to tax
by the State under the said pro-
visions of that Code; and, in addi-
tion, the name of the City shall
not be substituted for that of the
State in Sections 6701, 6702 (ex-
cept the last sentence thereof),
6711, 6715, 6737, 6797 and 6828
of the said Revenue and Taxation
Code as adopted.

(3) If a seller's permit has been
issued to a retailer under Section
6068 of the said Revenue and Tax-
ation Code, an additional seller's
permit shall not be required by
reason of this section.

(4) There shall be excluded
from the gross receipts by which
the tax is measured:

(i) The amount of any sales
or use tax imposed by the State
of California upon a retailer or
consumer.

(ii) Receipts from the sale of
tangible personal property upon
which a sales or use tax has been
imposed by reason of the same
transaction to any other city
and county, other than the city
in which this city is located, or
city in this State in accordance
with Part 1.5 of Division 2 of the
said Revenue and Taxation Code.

(iii) Receipts from sales to op-
erators of common carrier and
waterborne vessels of property
to be used or consumed in the
operation of such common car-
riers or waterborne vessels prin-
cipally outside of this City.

Section 5. **USE TAX.**
(a) An excise tax is hereby im-
posed on the storage, use or other
consumption in the City of Albany
of tangible personal property pur-
chased from any retailer on or
after the operative date of this
ordinance, for storage, use or other
consumption in the city at the rate
of one percent (1%) of the sales
price of the property. The sales
price shall include delivery charge
when such charge is subject to
State sales or use tax regard-
less of the place to which delivery
is made.

(b) (1) Except as hereinafter
provided, and except insofar as
they are inconsistent with the pro-
visions of Part 1.5 of Division 2
of the said Revenue and Taxation
Code, all of the provisions of Part
1 of Division 2 of said Code, as
amended and in force and effect
on July 1, 1956, applicable to use
taxes are hereby adopted and made
a part of this section as though fully
set forth herein.

(2) Wherever, and to the extent
that, in Part 1 of Division 2 of
the said Revenue and Taxation Code
the State of California is named
or referred to as the taxing ag-
ency, the City of Albany shall be
substituted therefor. Nothing in
this subdivision shall be deemed to
require the substitution of the name
of the City of Albany for the word
"State" when that word is used as
part of the title of the State Con-
troller, the State Treasurer, the
State Board of Control, the State
Board of Equalization, or the name
of the State Treasury, or of the
Constitution of the State of Cal-
ifornia; nor shall the name of the
City be substituted for that of the
State in any section when the re-
sult of that substitution would re-
quire action to be taken by or
against the City or any agency
thereof, rather than by or against
the State Board of Equalization,
in performing the functions inci-
dent to the administration or op-
eration of this ordinance; and nei-
ther shall the substitution be de-
emed to have been made in those
sections, including, but not neces-
sarily limited to, sections refer-
ring to the exterior boundaries of
the State of California, where the
result of the substitution would be
to provide an exemption from this
tax with respect to certain gross
receipts which would not other-
wise be exempt from this tax while
those gross receipts remain sub-

ject to tax by the State under the
provisions of Part 1 of Division 2
of the said Revenue and Taxation
Code; nor to impose this tax with
respect to certain gross receipts
which would not be subject to tax
by the State under the said pro-
visions of that Code; and, in addi-
tion, the name of the City shall
not be substituted for that of the
State in Sections 6701, 6702 (ex-
cept the last sentence thereof), 6711,
6715, 6737, 6797 and 6828 of the
said Revenue and Taxation Code
as adopted.

(3) There shall be exempt
from the tax due under this sec-
tion:

(i) The amount of any sales
or use tax imposed by the State
of California upon a retailer or
consumer.

(ii) The storage, use or other
consumption of tangible personal
property, the gross receipts from
the sale of or the cost of which
has been subject to sales or
use tax under a sales or use
tax ordinance enacted in accor-
dance with Part 1.5 of Division
2 of the said Revenue and Tax-
ation Code by any other city and
county, other than the city in
which this city is located, or city
in this State.

(iii) The storage or use of tan-
gible personal property in the
transportation or transmission of
persons, property or communica-
tions, or in the generation, trans-
mission or distribution of elec-
tricity or in the manufacture,
transmission or distribution of
gas, interstate, interstate or
foreign commerce by public util-
ities which are regulated by the
Public Utilities Commission of
the State of California.

not inconsistent with Part 1.5 of
Division 2 of the said Revenue and
Taxation Code shall automatically
be a part of this ordinance.

Section 7. **ENJOINING COL-
LECTION FORBIDDEN.** No in-
junction or writ of mandate or
other legal or equitable process
shall issue in any suit, action or
proceeding in any court against
the State or this City, or against
any officer of the State or this
City, to prevent or enjoin the col-
lection under this ordinance, or
Part 1.5 of Division 2 of the Re-
venue and Taxation Code, of any
tax or any amount of tax required
to be collected.

Section 8. **EXISTING SALES
AND USE TAX ORDINANCES
SUSPENDED.** At the time this
ordinance goes into operation, the
provisions of Ordinances Nos. 556
and 645 shall be suspended and
shall not again be of any force or
effect until and unless for any
reason the State Board of Equal-
ization ceases to perform the func-
tions incident to the administra-
tion and operation of the sales and
use tax hereby imposed; provided,
however, that if for any reason it
is determined that the City of Al-
bany is without power to adopt
this ordinance, or that the State
Board of Equalization is without
power to perform the functions inci-
dent to the administration and
operation of the taxes imposed by
this ordinance, the provisions of
Ordinances Nos. 556 and 645 shall
not be deemed to have been sus-
pended, but shall be deemed to
have been in full force and effect
at the rate of one percent (1%)
continuously from and after July
1, 1956.

Section 9. **PENALTIES.** Any
person violating any of the pro-
visions of this ordinance shall be
deemed guilty of a misdemeanor,
and upon conviction thereof shall
be punishable by a fine of not more
than \$500.00 or by imprisonment
for a period of not more than six
(6) months in the City Jail, or by
both, at the discretion of the court.

Section 10. **SEVERABILITY.**
If any section, subsection, sentence,
clause, phrase or portion of this
ordinance, including but not limited
to any exemption, is for any
reason held to be invalid or uncon-
stitutional by the decision of any
court of competent jurisdiction,
such decision shall not effect the
validity of the remaining portions
of this ordinance. The Council of
the City of Albany hereby declares
that it would have adopted this or-
dinance and each section, subsec-
tion, sentence, clause, phrase or
portion thereof, irrespective of the
invalidity of any one or more sec-
tions, subsections, sentences, clau-
ses, phrases or portions be declared
invalid or unconstitutional.

Section 11. **EFFECTIVE
DATE.** This ordinance shall be
published once in the Albany
Times, a newspaper of general cir-
culation within the City of Albany,
and shall become effective as here-
inafter provided after its final pas-
sage, adoption and publication.
